

[EN] Everlong

Hello, I've waited here for you

Everlong

Tonight, I throw myself into

Out of the red

Out of her head, she sang

Come down, and waste away with me

Down with me

Slow how you wanted it to be

I'm over my head, out of her head she sang

And I wonder

When I sing along with you

If everything could ever feel this real forever

If anything could ever be this good again

The only thing I'll ever ask of you

You've got to promise not to stop when I say when

She sang

Breathe out, so I can breathe you in

Hold you in

And now I know you've always been

Out of your head, out of my head I sang

And I wonder

When I sing along with you

If everything could ever feel this real forever

If anything could ever be this good again

The only thing I'll ever ask of you

You've got to promise not to stop when I say when

She sang

And I wonder

If everything could ever feel this real forever

If anything could ever be this good again

The only thing I'll ever ask of you

You've got to promise not to stop when I say when
