

[EN] I'm an upstart

We don't need to be clever to learn your lies

We only have to listen, open up our eyes

Try to be honest, get kicked in the face

But if you cheat - another rat in the race

I'm an upstart, hey

Whatcha gonna do

I'm an upstart, listen

I'm talking to you

I'm an upstart, hey

Whatcha gonna do

I'm an upstart, listen

I'm talking to you

Seek out an identity

You alienate society

Face the facts, why not admit it

How can you be outrageous when your mother won't allow it?

I'm an upstart, hey

Whatcha gonna do

I'm an upstart, listen

I'm talking to you

I'm an upstart, hey

Whatcha gonna do

I'm an upstart, listen

I'm talking to you

I'm an upstart, hey

Whatcha gonna do

I'm an upstart, listen

I'm talking to you

I'm an upstart, hey

Whatcha gonna do

I'm an upstart, listen

I'm talking to you

We don't need to be clever to learn your lies

We only have to listen, open up our eyes

Try to be honest, get kicked in the face

But if you cheat - another rat in the race

I'm an upstart, hey

Whatcha gonna do

I'm an upstart, listen

I'm talking to you

I'm an upstart, hey

Whatcha gonna do

I'm an upstart, listen

I'm talking to you

I'm an upstart, hey

Whatcha gonna do
I'm an upstart, listen
I'm talking to you
I'm an upstart, hey
Whatcha gonna do
I'm an upstart, listen
I'm talking to you
