

[EN] You're No Good

You're No Good

Feeling better now that we're through

Feeling better, 'cause I'm over you

I've learned my lesson, it left a scar

And now I see how you really are

[You're no good, you're no good, you're no good](#)

Baby, [you're no good](#)

I'm gonna say it again

[You're no good, you're no good, you're no good](#)

Baby, [you're no good](#)

Broke her heart, was gentle and true

I left a girl for someone like you

I'll beg her forgiveness on bended knee

But I wouldn't blame her if she said to me

[You're no good](#), it's no good, it's no good

Baby, it's no good

I'm gonna say it again

It's no good, it's no good, it's no good

Baby, it's no good

Mm, no good

If she'll have me, we'll start anew

It'll be easy forgetting you

[You're no good, you're no good, you're no good](#)

Baby, [you're no good](#)

I'm gonna say it out loud

[You're no good, you're no good, you're no good](#)

Baby, [you're no good](#)

Oh oh oh

I'm putting you down, baby, and I'm going away

Forget about you, baby, I'm a-leaving to stay

[You're no good, you're no good, you're no good](#)

Baby, [you're no good](#)

Hey hey hey

[You're no good, you're no good, you're no good](#)

Baby, [you're no good](#)
